

AI Compliance Reimagined: Meet Reggie

Automate and Simplify Regulatory Compliance & Insights

Reggie is an intelligent compliance platform built to automate and simplify the complex landscape of regulatory adherence.

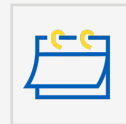

Reggie is built on a secure, compliant LLM foundation and grounded in the latest authoritative regulations, delivering human-grade policy assessments with machine efficiency and audit-ready traceability. Users can perform instant compliance checks on existing policies, validate new drafts before implementation, or run impact analyses on pending legislative changes. This drastically reduces research hours and minimizes the risk of non-compliance, turning a reactive necessity into a proactive business intelligence function.

REGGIE'S IMPACT

Automated Analysis

Performs instant compliance checks and outlines proposed changes.

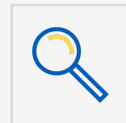

Time & Risk Reduction

Identifies and resolves compliance issues quickly, minimizing reputational and financial risks.

Real-Time Risk Scorecards

Generates detailed scorecards highlighting compliance gaps, risk levels, and next steps.

Dual-Lens Evaluation

Evaluates current policy compliance and pending changes, keeping organizations prepared.

Guided Compliance Alerts

Reggie's streamlined dashboard features an "Alerts and Notifications" panel that provides a guided analysis and flags internal policies that may be out of compliance and assesses the impact of any pending regulations.

Automated Document Analysis

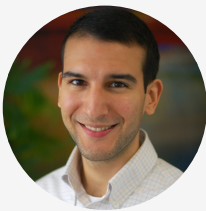

Users can leverage Reggie to select and analyze documents and generate detailed compliance scorecards identifying risk levels and outlining recommended actions.

Interactive AI Chat

Users can engage with Reggie via chat to ask compliance questions, upload documents, or launch new analyses. The chat interface supports open-ended exploration and streamlines access to Reggie's core capabilities, making it intuitive for both technical and non-technical users.

Increased Speed and Resolution

Reggie's advanced features reduce audit risk, speed up issue resolution, and enable proactive policy updates, allowing organizations to think ahead and use compliance as a strategic advantage.

CapTech is a national consulting firm that helps clients grow efficient, successful businesses. We do so by bringing the data, systems, and ingenuity organizations need to stay ahead and transform what's possible in a changing world. Here, we're master builders, creators, and problem solvers who find inspiration in the unknown and enjoy getting our hands dirty as we design solutions for each client. Across industries and business goals, we fuse technical depth and analytical prowess with creative savvy to ignite innovation and move business forward. This drive helps each organization use technology, management, and insight to turn ideas into action. Together, we create outcomes that exceed the expected — which is one of the reasons we've been on the Inc. 500/5000 list for over a decade.
